Vessel Layout and Accommodations :

Boarding made easy via FRP swim platform thru a transom door on into a large cockpit area with self draining decks.

As you step into the salon you will be greeted by a contemporary interior decor and a layout designed to maximize space. To port a settee that can seat 6 fronted by a large dinette. Across to starboard, the sought after lower helm station with upgraded electronics. The step down galley provides more than adequate space to prepare meals and provides storage. The three front windows add more than ample lighting and help create a light and bright area.

Continuing forward, the onboard accommodations allow for a private guest cabin to starboard with a guest head to port followed by the master stateroom with it's ensuite head..

Up on the flybridge the helm is aft with guest bench style seating forward.
