Riviera's design team, in collaboration with 4D Designs, has excelled with the development of this new model which joins an exceptional line-up of Riviera Sport Utility Vessel's (SUV's) including the 395, 445, 505, 545, 575 and 645.

The 465 SUV offers a water-sports cockpit, covered alfresco deck that expands the saloon living space, three double staterooms, two generous bathrooms and multiple entertaining spaces in a sub-fifty-foot yacht.

Luxuriously appointed with premium fabrics, designer lounges and plush carpet underfoot in the staterooms, she features high-gloss timber cabinetry throughout.

Siren Marine remote monitoring system is offered on all new Riviera yachts that provides peace of mind through real-time data monitoring and alerts so owners can enjoy their boating more knowing that their boat is safe and secure.

Riviera offers an industry-leading two-year express and seven-year structural limited warranties on all new models. All Volvo Penta systems are covered by a five-year limited warranty.

Fresh Water: **132 gal**

Holding: **40 gal**

## Accommodations

Heads: **2**

## Additional Equipment

- Joystick Control

## Deck

Step easily aboard and enter via the port or starboard transom doors. At anchor, both these doors open outward, extending the cockpit out to the large boarding platform. Discreet design ideas like these make the 465 SUV feel like a much larger vessel.

An optional hydraulic lifter makes it easy to launch or retrieve watercraft and the swim platform serves as your private beach when partly submerged, perfect for water sports or children. Entertaining is easy with a fridge/freezer, icemaker, barbecue station and wet bar.

### *Fishing Cockpit*

Whilst a pump-out fish bin and wash-down are included, there are several cockpit options to further inspire for fishing enthusiasts including a live bait tank, port and starboard power sockets for electric reels and downriggers, padded bolster around cockpit coaming and heavy duty stainless steel rod holders.

### *Deck*

The alfresco deck effectively increases saloon-level living area by a third. A beautiful space, offering privacy and protection from the weather, this is the entertaining center of your yacht. To appreciate this clever design, slide open the tinted glass door, then open out the large tinted glass awning window. Now the alfresco deck connects and flows through to the saloon and galley. Twin electric sunroofs glide open at the press of a button to invite fresh air, the warmth of the sun or the sparkle of the stars.

The portside lounge with matching ottoman is complemented by a superbly crafted folding teak table. A large insulated icebox is located under the seat with refrigeration as an option. The starboard lounge is also put to good use with an infill cushion that easily converts the lounge into a superb daybed... perfect for lazy afternoons. A popular alfresco option is a portside TV that folds down for those important moments that must be seen and shared live.

Riviera SUV adventure yachts feature wide side decks with raised coamings illuminated in soft blue LED light, the sure-footed grip of non skid surfaces and the reassuring support of 316 marine grade stainless steel handrails all designed to make movement aboard confident. The option of a double sun pad with adjustable backrests makes the foredeck the perfect spot to stretch out and relax at anchor.

## Galley

### *Gourmet Galley*

Filled with natural light, the galley of your 465 SUV has all the features of a designer kitchen. Premium appliances are beautifully integrated into the handcrafted Riviera joinery of varnished exotic timbers. The generous storage is well-organized with built-in overhead lockers, a pantry, and crockery drawers. Solid surface benchtops, electric cooktop, rangehood, combination microwave oven, dual door fridge-freezer and the option of a drawer style dishwasher complete the galley wish list creating an inspired space.

Opposite the galley is a bar/server with a drawer fridge and drinks cabinet for bottles and glassware. Moving forward is a generous and luxurious U-shaped lounge dining area with a solid timber folding table. A premium sound system is waiting to entertain, hidden in the handcrafted cabinetry. Lower the window blinds and the saloon becomes a cinema room with a large LED TV tilting up into place on the port dash.

## Accommodations

### *Three Staterooms Two Bathrooms*

The accommodation deck boasts three impressive staterooms, two bathrooms and a level of appointments normally associated with the finest hotels and larger yachts. Step down from the saloon to a timber finished companionway with the discreet guiding glow of soft LED lighting. For added comfort, all staterooms and bathrooms feature reverse cycle air-conditioning.

### *Forward Master Stateroom With Private Bathroom*

Your master suite is bathed in natural light through large, tinted hull windows with two hatches above to invite fresh air at anchor. The walk around island bed is a generous double crowned by a feature headboard in concert with lush deep pile carpet. There's ample storage space with timber finished overhead cabinets port and starboard, under-bed drawer storage and two cedar-lined hanging lockers. A flush mounted LED TV and sound system are waiting to entertain.

### *Designer Ensuite*

Beautifully handcrafted vanity cabinet, solid surface benchtop with porcelain basin, frameless glass door, teak shower step and opening hatch above... the mood is thoughtful, spacious, luxurious.

### *Twin Guest Staterooms*

The two aft staterooms of the 465 SUV are the image of luxury, comfort and style. And there's a choice of layouts to accommodate growing families and friendships. You may want both suites as two fixed adult size single beds; or prefer a generous double for the port stateroom.

Whichever layout you choose, guests in both staterooms will enjoy natural light through large tinted hull windows with opening porthole, ample storage, cedar-lined hanging locker, bedside table and lush deep pile carpet. Entertainment options include LED TV and sound system.

### *Generous Guest Bathroom*

The aft staterooms share a generous, dual access, designer bathroom which doubles as an ensuite to the port stateroom and a day head. Luxury appointments include solid surface benchtop with porcelain basin, full sized shower with teak step and frameless glass door – plus the beauty of natural light through the tinted hull window with opening hatch above.

Optional for your 465 SUV is a laundry station located in the starboard cabin. The combination washer dryer machine is an efficient solution to the fresh laundry needs of everyone on board. So, you can pack a little lighter and enjoy your adventures for as long as you like.
