Description

This 45 Cantius has been extremely well cared for over the last 2.5 years. See the list under Upgrades and Maintenance below. "Andiamo" is very clean and has been very well maintained and is in Excellent condition. She has a spacious interior and luxury-class amenities are notable for a boat of this size. The floorplan has the galley, cockpit, helm, and upper salon all on the same level, so whether you're driving, preparing dinner in the galley, or relaxing in the cockpit, everyone is part of the fun. Panoramic side windows and a large sunroof provide plenty of natural lighting, and a foldout window at the aft galley counter opens the salon to the cockpit. There are two staterooms and two heads below, including a clever mid-cabin stateroom with a queen berth separated from an entertainment area by a privacy wall. The cockpit features a huge L-shaped lounge, electric grill, refrigerator and ice maker, and an optional sun shade extends from inside the hardtop over the entire cockpit. Note that the cockpit's aft lounge - with forward and aft facing seating - converts to a huge sun lounge. Powered by twin 435hp Volvo IPS diesel pod drives, the 45 Cantius will cruise at 20-22 knots (mid/high 20s top).
