## WALKTHROUGH

The M 56 Maritimo represents the best of all features. With the expansive uncluttered bow deck equipped with table and seating and the wide side decks outdoor space is plentiful. The hydraulic swim platform is perfect for tender storage and so convenient for launching the small boat. The swim platform can also be used for swimming and as a mini beach.

The enclosed flying bridge with balcony is a perfect place to hide and reflect or an amazing entertainment area that includes a rare “balcony”. The interior staircase provides safe and easy access to the bridge deck.

From the huge aft deck, with features aft deck control station, it is 1 step up to the salon with rear galley arrangement, a dinette, salon seating and even a side door to the Starboard side deck. The galley features undercounter Microwave convection oven and dishwasher, 3 burner range and double sink, an island, upright refrigerator and a great pantry. The glass doors can be arranged in different configurations so that the galley can also have direct access outside.

Forward from the main salon is the stairs to the 3 staterooms. The master is midship with private in-suite bath and a large window in the hull giving it a much larger feel. The VIP is forward with private access to the shared bath. There is a 3rd single bunk stateroom to starboard.

New carpeting in the salon and staterooms, new flooring in the galley/entry, and reupholstered salon settee and dinette.
